HELLO

I'm a designer focused on Web and Interactive Design. Currently I work as a Visual Designer at BOLD, where I'm in charge of shaping creative ideas into engaging and memorable interactive experiences.

WORK EXPERIENCE

Visual Designer

BOLD • April 2017- Present

Collaborate with a cross-functional team, including designers, engineers and product managers to create visually engaging, innovative and functional mobile and web products.

Sr. Digital Art Director / Interactive Designer

J Walter Thompson • April 2015- April 2017

Responsible for the user experience and user interface design of multiple web/digital projects. In charge of ensuring the art direction and digital visual presentation of interactive campaigns support the defined strategy and oversee project development to ensure creative quality.

Digital Art Director / Design Manager

Badillo Saatchi & Saatchi • April 2012 - April 2015

In charge of the user experience and user interface design for all agency clients on a variety of platforms including websites, facebook applications, mobile apps, interactive web banners and video games. Managed workflow for a team of 3 designers. Produced quotes for time and resources on interactive projects. Watched over in-house and outsourced project development to ensure creative quality. Worked side by side with Community Managers to conceptualize and deliver visual content for over 20 social communities.

Freelance Interactive Designer / Art Director

January 2008 - Present

As a successful freelance creative, I am responsible in helping local and worldwide advertising and marketing agencies develop brand experiences for their clients. Services ranged from art direction, concept creation and promotional strategies to UX, UI design of web sites, apps, interactive campaigns and animated web banners.

Art Director

Euro RSCG • January 2007 - January 2008

Provided Art Direction and created brand experiences for multinational and local clients. Supervised photo shoots, t.v. ad productions and post-productions. Created and designed web based strategies and campaigns.

Senior Visual Designer

Eko Advertising • April 2006 - January 2007

Art Direction and brand experience creation. Directed Junior Designer work and approved final print productions.

Graphic Designer

Milestone Events • November 2002 - April 2006

Created brand designs, landing pages and collateral material for special events and BTL advertising campaigns. Prepared final arts. Supervised photo shoots and other event productions.
